## ALLARD STATEMENT ON IRAQ

WASHINGTON, D.C. – U.S. Senator Wayne Allard released the following statement today regarding President Bush and the action taken against Iraq:

“President Bush acted decisively in taking advantage of the target of opportunity last night. It is unfortunate Saddam Hussein rejected the President’s offer of peace resulting in our nation having no choice but to take military action. Our thoughts and prayers are with the courageous men and women of America’s armed forces in the Persian Gulf and Afghanistan.”
